

LLANDEGLA LASER COMBAT DECLARATION

Llandegla Laser Combat treats Health and Safety of all participants as a priority. As with any sport/leisure activity there are hazards associated with laser tag.

I UNDERSTAND that laser combat is physically and mentally intense and may require extreme exertion to play. The possibility of injury to myself and others exists. The playing area has varying terrain and may be slippery and have trip hazards. There is the possibility of fallen tree debris, nettles and thistles. No physical contact is allowed between participants. No alcohol to be consumed. Any deliberate damage to equipment, the player will be responsible for cost of repair.

I CONFIRM AND AGREE that I am physically fit and mentally able to take the strain and exertion involved in playing laser combat. I have no medical condition that would prevent me from playing. (Please make the game manager aware if you use an inhaler or any other medical aid). I am fully aware of the risk to myself and others involved in laser tag. I will comply with the rules and use all equipment as instructed and not so to injure or hurt others. I will obey all instructions from the game manager/site marshals. If after attending the safety talk you do not wish to play a full refund will be given to you only. (If part of a group booking the refund will be divided by the number of players).
